ABOUT US

Tishawna D. Pritchett is determined to help others become their best selves both personally and professionally. She finds immense fulfillment in witnessing dreams turn into reality, and she wholeheartedly enjoys guiding and inspiring others to recognize their worth and chase after their purpose with beauty, grace, knowledge, and confidence.

In addition to her expertise in the beauty industry, she is an author, creative, and Tishawna has an impressive background in executive leadership, nonprofit development, and business administration. She has been instrumental in assisting numerous entrepreneurs and organizations in building strong foundations, implementing effective strategies, and achieving remarkable success.

As a leader of leaders she is empowered to assist emerging leaders with encountering their true selves and unlocking their potential to fulfilling their purpose.

OUR VISION

Setting new standards of excellence and empowerment in people, places, & systems.

OUR MISSION

Our mission is to empower individuals and organizations to unlock their full potential by leveraging the transformative power of beauty, grace, knowledge, and confidence. Through our innovative consulting solutions, we aim to inspire growth, foster excellence, and cultivate lasting success for our clients.

The Need.

In the dynamic landscape of entrepreneurship and nonprofit development, emerging organizations often face significant challenges in establishing strong foundations, implementing effective strategies, and achieving sustainable growth. At T.P. Consulting Services, a product of Shawn's Hair N More, Beauty & Business Solutions, we understand the unique needs of startups and non-profit organizations and the critical support they require to thrive in today's competitive environment.

Our clients seek guidance and expertise in areas such as business planning, management, organizational development, and strategic growth. They are looking for a trusted partner who can provide tailored solutions to address their specific challenges and propel them towards success.

Through our proven track record and deep industry knowledge, we are equipped to support startups and non-profit organizations in navigating the complexities of launching and building a sustainable business or organization. Our comprehensive consulting services are designed to empower our clients with the tools, resources, and strategies needed to achieve their goals and make a positive impact in their communities.

By partnering with T.P. Consulting Services, startups and non-profit organizations can access personalized support, expert guidance, and innovative solutions that enable them to thrive, grow, and fulfill their mission effectively. We are committed to being a strategic partner in their journey towards building successful and impactful ventures.

Next

OFFER.

Empower your business or nonprofit organization with strategic consulting services designed to drive growth, enhance performance, and achieve sustainable success. Our tailored solutions, expert guidance, and collaborative approach will unlock your potential, align with your goals, and propel you towards your vision of excellence. Partner with us to transform challenges into opportunities and turn aspirations into reality. Let's embark on a journey of innovation, impact, and growth.

HOW CAN WE HELP?

We have individual and group opportunities available. Email or call us to schedule. Our program overview is attached. We also create custom programs based on the needs of the client.

We are looking forward to seeing how we can assist you or your organization with building for your future by offering this Next Level opportunity for empowerment, education, and advancement.

CONSULTING SERVICES

We have four options of consulting services tailored to meet your needs and preferences. These services are from initial assessment to advanced business development and growth strategies. Please choose the option that best aligns for you.

We also offer concierge services for those organizations who need that extra help when you don't have the full support that's needed to get the job done.

OUR PROGRAMS

Options for Consulting Services from \$300 up to but not limited to \$5000 for custom packages.

I. Initial Consultation Package

- Description: A comprehensive initial consultation to assess the client's needs, goals, and challenges.
- Deliverables:
 1. In-depth discussion and analysis of client's business or organization.
 2. Identification of key areas for improvement and growth.
 3. High-level strategic recommendations and action plan.
- Benefits: Gain clarity on current situation, opportunities for enhancement, and potential next steps.

II. Strategy Development Package

- Description: Collaborative strategy development to outline a roadmap for business or organizational success.
- Deliverables:
 1. Detailed strategic plan with actionable steps and timelines.
 2. Customized recommendations for implementation and execution.
 3. Ongoing support and guidance in strategy refinement.
- Benefits: Clear direction and focused strategies to drive growth and achieve objectives.

III. Implementation Support Package

- Description: Hands-on support and guidance in implementing strategies and initiatives.
- Deliverables:
 1. Assistance in executing key action items and projects.
 2. Monitoring progress and providing feedback for adjustments.
 3. Training and development for internal teams on best practices.
- Benefits: Practical support to ensure successful implementation and realization of strategic goals.

IV. Business Growth Accelerator Package

- Description: Advanced approach to propel business growth and sustainability through intensive support and resources.
- Deliverables:
 1. Advanced business analysis and performance evaluation.
 2. Tailored growth strategies and expansion opportunities.
 3. Access to a network of industry experts and resources.
 4. Ongoing coaching and mentorship for leadership and team development.
- Benefits: Accelerated growth, increased profitability, and long-term success for the business or organization.

"A BETTER ME" BOOTCAMP

We have several ways for you to connect with us. From our free association for beauty professionals, beauty and business membership, educational intensives, masterclasses, bootcamps, and mentorship we welcome you to come learn, grow, develop, and advance with us!

Ask about our "A Better Me" Certification Bootcamp! This program is a 6 week completion training where we take students through advanced life skills, leadership, self awareness, communication, and basic business training. Upon completion and receiving the A Better Me Certification, all students will be prepared for Next Level living!

This bootcamp is offered at \$1500 per person to include a graduation ceremony and career/job fair. All students will also be celebrated at the end of year annual Gala.

WHAT WILL YOU LEARN?

- Time management.
- Critical thinking skills.
- Better reaction and response.
- Soft & Hard skills.
- How to go after what you want.
- Effective communication.
- What true commitment is.
- Knowing your purpose.
- Identifying weaknesses and correcting them.
- Identifying strengths and building upon them.
- How to win and lose well.
- Growing in beauty, grace, knowledge, and confidence!
